OUR VISION

ISpA echoes the Hon'ble Prime Minister's vision of **"Atma Nirbhar Bharat"**.

We are working with all stakeholders, to create an enabling environment for strengthening the private industry in the Indian Space sector.

ISpA aims to position India in the forefront of the global space ecosystem.

ABOUT US

ISpA is an apex non-profit industry body, set up exclusively for the successful collaborative development of the Private Space Industry in India.

ISpA was created to be the single Voice of the Private Space Industry and as a bridge between the Government and the Private Industry.

We undertake Policy Advocacy and engage with all stakeholders from the Indian & Global Space Ecosystem to facilitate business opportunities for the industry as well as empower our members to best serve the National Aspirations.

ISpA provides an engaging environment to facilitate brain-storming; and professional networking; knowledge sharing; and catalyze collaborative relationships by bringing all policymakers, government bodies, industry, user community, academia and resource providers on a common platform.

ISpA aspires to make meaningful contributions to make India self-reliant and technologically advanced, so as to position India, as a leading player in the Global Space arena.

“

**THE DECISION TO UNLOCK INDIA'S
POTENTIAL IN THE SPACE SECTOR
HAS HERALDED A NEW AGE OF
